Summer Art Adventures

Weekly Programs July 5 - 30

9:00 to Noon, \$150 wk.
\$25 Discount for a 2nd week
or 2nd sibling!

Classes divided by grade, all instruction is age appropriate. Limited scholarships. Pack a snack.

Wk. 1 - July 5: Young Painters Club
Grades PreK – 1 and Grades 2 – 5
Registration Deadline: June 25

Roll up your sleeves and explore the bold colors, designs and concepts of the artwork of Chagall, Miro, Matisse and others. Students at all age levels will learn and/or improve basic drawing, painting and observation abilities as they create their own masterpieces in the style of the artists they explore. Watercolor, tempura and craypas will be used to produce works of mixed media art in 2D and 3D. Students will have the ability to view some of the artwork of the masters.

Wk. 2 - July 12: Disney and Kids
Grades PreK – 1, Deadline: July 2

Who is your favorite Disney character? Join us as we use the stories and characters of Disney to create our own world of art projects just right

for small hands and developing minds. We will also take a look at of some of the artwork of Britto, Slaughter and Pollock to see what stories we can invent. Lots of hands on 3D designs, painting, and drawing with markers and crayon.

Wk. 2 - July 12: The Somewhat Zany World of Art
Grades 2 – 5, Deadline: July 2

Let's broaden our view of cartooning and art as we look at the artistic works of Basquiat, Lichtenstein, Warhol or Klee. Blending together graphic art, cartooning and the conceptual artwork of modern artist, we will explore creativity is expressed in all art forms. A variety of mediums will be used.

Wk. 3 - July 19: Animals in Art
Grades PreK-1 and Grades 2 – 5, Deadline July 9

From Fairy tales to Piperberg and Beard to Picasso students will expand their ability to draw and paint animals in realistic and abstract form. We will look at the art of animals in many habitats and using basic art concepts and techniques the animal world will come to life in our artwork.

Wk. 4 - July 26: Worlds of Art
Grades PreK-1 and Grades 2-5, Deadline July 16

We will journey the globe stopping long enough to make masks from Mexico, kites from Japan, and recreate the festivals of North America and 'the Is-

lands'. Our artwork will explode with color and design and some will even fly. A variety of mediums will be used.

MAM programs are taught by professional artists who have 10-20 years of experience providing instruction and guidance on a one-to-one basis. Our curriculum meets the National Standards for Visual Arts Education. And we make it fun and exciting for all.
